## We're closing for all but emergency procedures, effective March 18

Per ADA guidelines, effective March 18, we are closing for all but emergency, non-elective procedures. We plan to reopen on April 6. COVID-19 is a serious concern. As your dental care provider, we want to inform and comfort you during uncertain times.

Concentrating on emergency dental care will allow us to care for you, while helping to alleviate any burden that dental emergencies could place on hospital emergency departments.

We highly recommend following the CDC's guidelines to keep you and your family safe and healthy. We'll be reaching out to reschedule your appointments.

Please contact us if you have any questions at all. Stay safe and well!

Thank you!
